LIVES TO PREDICTIONS

It is proving its worth every day and the prediction that the stock of this company will reach One Beller before the first of the year is safely

Thousands of shares of this mining stock are selling daily on the Boston Curb. The stock is rising above 20 and for the past week has hold steadily above that figure.

Clinton Gowdy, treasurer of the company, wired us last Friday as

"Ore from 'David H.' assays three thousand ounces silver per ton. 'John G.' now producing carbonate with fine showing for rich ore in short distance from present workinga."

Sitgalena will pay dividends. To buy and hold the stock is good judgment. To buy and sell the stock on the advance is the move of the wise speculator.

Order through your broker or direct of us.
